Scavenging is Illegal!

Taking recyclables that have been set out for collection is called scavenging, and it violates both the City of Rancho Cordova Municipal Code and the California Public Resources Code. It is in the best interest of all residents to curtail scavenging!

SCAVENGING HURTS

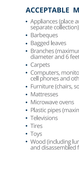
The act of scavenging creates a public nuisance of noise and litter. In addition, revenue from the sale of recyclables collected by Republic Services helps offset the cost of collecting these materials. When recyclables are stolen, potential revenue is lost and fees for recyclable collection may need to be increased.

HOW TO DISCOURAGE SCAVENGING

- Put your recyclables out on the curb by 6:00am on the day of collection instead of the night before
- Please do not give permission to anyone to remove recyclables from the cart
- Report scavenging to the Police non-emergency line at (916) 362-5115

REPORT SCAVENGING (THEFT)

If you see someone other than the City or Republic Services employees taking recyclables from residential carts, report scavenging by calling the Police non-emergency line at (916) 362-5115. Please keep reporting scavenging each time it occurs so the Police can establish a track record of the areas that might need special enforcement.



MEET RANCHO CORDOVA'S NEW RECYCLING MASCOT

Hundreds of entries were received and the winner was chosen by Rancho Cordova's city staff and local artists. Recycle Raccoon, the winning mascot, was created by a 2nd grader from Navigator Elementary School
