**QUALIFICATIONS:**

When we officially incorporated on July 1, 2003, our new history began. Four years ago, you hired me at the ballot box to be one of your five public servants who are responsible for working with you and for you in operating our City. We have kept our City operating in the black, while at the same time providing some of the best public service you will find in our region.

We have continued to put in new sidewalks, and repair the sidewalks that need the work. We continue to improve Folsom Blvd. And in the Veterans Village program, we have completed 50 permanent supportive homes for Veterans, and I am working to complete the next 50 apartments there next spring. They are only one block from the Mather V.A. Hospital.

As Mayor, I said we needed to ask the citizens how they wished to spend their sales tax money. We had 16 public meetings to learn that, and your measure H money is being spent on what was said. Serving you on the City Council is a true privilege, and I am asking for your vote on November 8 because there is much more to do.

I have prepared the above candidate statement (pursuant to Elections Code §13307) that is to be printed in the Sample Ballot and Information Pamphlet and mailed to each registered voter who is eligible to vote for me. I understand that Sacramento County is mandated under the Voting Rights Act to provide materials and information in English, Spanish and Chinese. I understand that the amount written on the previous page is an estimated cost to print in English, Spanish and Chinese. I agree to pay any difference between the estimated cost and the actual cost within 30 days of receiving the bill.
