

NEIGHBORWOODS IS COMING TO YOUR NEIGHBORHOOD

NeighborWoods is an initiative that brings FREE trees to Rancho Cordova neighborhoods. And the Cordova Vineyards Neighborhood is IN!

WHAT:

Plant beautiful FREE trees in Cordova Vineyards to create tree-lined streets, shaded parks and schools, and tree canopied back and front yards. Hole digging support and irrigation supplies will be provided.

WHO:

YOU! We need neighbors to sign up to participate by contacting Angel Ball at (916) 635-6808 or Gacball@sbcglobal.net.

HOW:

The City of Rancho Cordova, in cooperation with the Sacramento Tree Foundation and SMUD, will provide you with the trees, tools, expertise, and education necessary to support your own neighborhood planting.

WHEN:

We are hosting a tree planting event on October 21, 2017. Please join our team of neighbors committed to the Cordova Vineyards NeighborWoods project.

Support Cordova Vineyards' inaugural NeighborWoods FREE tree planting event!

In April, we hosted a community tree planting day in Sunriver. Over 30 volunteers joined in to plant 50 trees and share in the neighborhood spirit.
