## **New Bike and Walking Trail Opens in Rancho Cordova**

**What:** The City of Rancho Cordova is celebrating the opening of the Mather Heritage Trail! The Mather Heritage Trail is a new 1.4-mile bike and walking trail that starts at the Mather Field/Mills Light Rail Station, crosses Highway 50, and continues to the Mather Commerce Center in the City. The trail includes new lighting and landscaping, as well as 200 new trees. A ribbon cutting ceremony will kick off the festivities in the morning, with remarks from Rancho Cordova Mayor Linda Budge and Congressman Ami Bera, followed by event attendees cutting the ribbon to officially open the new trail. Later that day, from 5:30 to 7:30 PM, the City will host a neighborhood celebration to mark the official opening of the trail. Join us to experience the Mather Heritage Trail in Rancho Cordova!

**When:** Friday, October 5, 2018  
8:30 - 10 AM: Media Interviews

**Where:** 10266 Rockingham Drive, Rancho Cordova

**Visuals:**

- 8:30 - 10 AM: Experience the new Mather Heritage Trail
- 9 AM: Ribbon cutting event, including speakers and ceremonial ribbon cutting photo opportunity
- Press kit available at [www.CityofRanchoCordova.org/PressRoom](http://www.CityofRanchoCordova.org/PressRoom)

**Interviews:**

- Mayor Linda Budge, City of Rancho Cordova
- Congressman Ami Bera
- Supervisor Don Nottoli

**Why:** The City of Rancho Cordova is a safe and vibrant community that values first-rate infrastructure and connected neighborhoods for pedestrians and bicyclists. In fact, our City was named a Bronze-Level Bicycle Friendly Community by the League of American Bicyclists and is working towards silver designation. The Mather Heritage Trail creates a beautiful new amenity, as well as a safe, convenient route for bicyclists and pedestrians.
