

Join Us!

Join us to learn more about the Cordova Creek to Trail Feasibility Study.

The City of Rancho Cordova is studying an opportunity to build a new bicycle and pedestrian trail from the American River Parkway to the area near Ahlstrom Park. The new trail would create connections for residents to safely walk and bike to schools, parks and other trails in our community.

Learn about the trail feasibility study, **ask** questions, and **share** your thoughts at this community meeting!

Community Open House

Thursday
May 16, 2019

5:30 – 7:30 p.m.

Mills Middle School
Multipurpose Room

10439 Coloma Road

Can't make it? **Share your thoughts online:**
