

Expedited Plan Review Request

PERMIT NO. _____

PROJECT ADDRESS _____

Type of Permit: [] Residential [] Commercial

Type of Work: [] New [] Addition [] Master Plan
[] Alteration/Tenant Improvement [] Misc. Structural
[] Other _____

Current initial plan check time is 15 working days.

I request that this project be expedited through plan review, including recheck, charged as overtime, provided that staff is available and the workload allows time to fulfill this request.

This does not include processing through other departments, such as Planning, Public Works, or any agencies outside the control of the City of Rancho Cordova (such as Sac Metro Fire, Environmental Health, Sacramento Area Sewer District, etc.).

I understand that, in addition to the normal plan check fee, an additional overtime fee will be charged. The fee will be the charged at the appropriate overtime labor rate multiplied by the hours spent. The applicant listed below will be notified if this request can be honored.
